- **Anyone who drives!**

***Certified In-Car Testing  
No waiting for license***

*We offer education for individuals from all walks of life at our state-of-the-art facility.*

Dear parents,

Let us be your voice of reason when it comes to driving safety. We know it can be hard for teens to listen to your concerns about the dangers of the road, but our common sense and objective courses will teach your teens the skills they need to prevent an accident and give them confidence on the road.

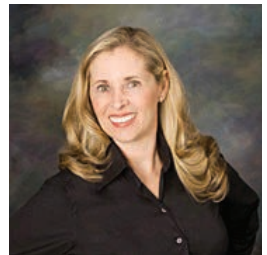

## Areas of Instruction:

- *Traffic laws*  
*What to do at the scene of an accident*
- *Buying and selling a vehicle*
- *Understanding auto insurance*
- *Understanding the legal system - positive behaviors for dealing with law enforcement and courts*
- *Defensive driving and road rage*
- *Vehicle care & maintenance*
